

SPRING 2021 WEBINAR SERIES: Supporting Higher Education and Career Success for Refugees in Wisconsin

This webinar series brings together educators, refugee resettlement service providers, college students with refugee background, scholars, employers, and community members to learn about the barriers and supports that impact the college and career success of Wisconsin residents of refugee background. The webinars will feature engagement with scholars and practitioners who support higher education for refugees, and the concluding webinar will be a panel discussion with college students with refugee background. After the completion of each webinar, everyone is invited to stay and discuss policy and advocacy to support higher education for immigrants of refugee background in Wisconsin.

Mark your calendars for 3pm CST, the last Tuesday of month, January through May 2021!

Register for any of the webinars in this series at: ccwt.wceruw.org/webinarSeries.html

The Center for Research on College-Workforce Transitions (CCWT) is an initiative of the Wisconsin Center for Education Research (WCER). CCWT's mission is to conduct and support research, critical policy analysis, and public dialogue on how college students experience the transition to the workforce. CCWT strives to inform policies, programs, and practices that promote academic and career success for all learners.
