

Affiliate PROGRAM

PROGRAM DETAILS

The goal of the CCWT Affiliate Program is to foster and grow a cohort of highly engaged collaborators that reflects a diversity of interests and activities within the scope of CCWT's [mission and vision](#):

...to develop research tools, evidence, and educational programs that promote the career development and wellness of students as they seek post-graduate success. In this work we amplify the voices and interests of all students, especially those historically marginalized in higher education, with the ultimate aim to facilitate institutional and societal change.

WHO'S ELIGIBLE?

Students, faculty, staff, and community members are eligible to become CCWT affiliates if they are actively engaged in using or conducting foundational or use-inspired research aligned with CCWT's mission. We welcome cross-disciplinary collaboration, approaches, and affiliates from all over the world.

HOW DO I BECOME AN AFFILIATE?

To inquire, please fill out the [CCWT Affiliate Interest Form](#), which asks for the following:

- A statement regarding your interest in being a CCWT Affiliate;
- A statement about the ways in which you are looking to collaborate with CCWT in the Affiliate Program; and
- If applicable, your connections to CCWT, including your past or current engagement in any of the above activities.

WHAT ARE THE BENEFITS?

CCWT supports affiliates in the following ways:

- Public recognition through a listing on the CCWT website;
- Staff support for coordinating and marketing events (lectures, workshops, etc.) branded or co-branded with CCWT;
- Priority access to CCWT computational resources (e.g., storage, GPUs); and
- Promotion of your relevant work through the CCWT website, social media, and publications.

WHAT ARE THE EXPECTATIONS?

Undertaking **ONE** or more of the following activities may* qualify a collaborator to be an affiliate:

- Serve as a reviewer for CCWT competitive programs (e.g., Early Career Scholars) or mentor an applicant for these competitions;
- Present at a CCWT-sponsored event (e.g., webinar, CCWT Fall Conference);
- Develop a grant proposal that includes CCWT staff as co-PIs or senior personnel;
- Co-author a CCWT-relevant publication with CCWT research staff; and/or
- Collaborate with CCWT to serve historically marginalized communities and foster fairness, equity, and inclusion in workforce transition outcomes.

*CCWT maintains high ethical and quality standards. Affiliates will be accepted based on those standards.
