

# TUNE IN to STRIVE OUT

Dear Undergraduate Students,

We are interested in learning more about how you are thinking about career readiness. We are looking for undergraduate students who are willing to meet for about 45 minutes with a small group of fellow students to talk about your experiences and thoughts.

If you choose to participate, you will meet with one of our team members: Kevon, Nasitta, or Mindi. During the conversation, we will ask you some questions to learn more about your experiences and perspectives about career readiness (we will record the conversations, but the recordings will not be linked to your name).

You will receive \$25 for your participation.

If you are interested and willing to participate, please click the following link to indicate your availability:
