

Diversity, Internationalization and Anticolonial Considerations:

Immigrants and Refugees at German Universities

TUESDAY, NOV 26, 2024

11:30AM - 12:30PM

Join Dr. Lisa Unangst as she explores the racialization of immigrant and refugee students and their experiences in German higher education. Her discussion will address migration, displacement, and student mobility, focusing on public universities. Participants will examine how historical, geopolitical, and internationalization factors shape student equity today.
